Novedades

The screenshot shows the ERIH PLUS website interface. On the left, a navigation menu lists various options. On the right, there is a search bar, a 'Find Journals' section with a search input field, and three informational boxes: 'Find Articles', 'Submission', and 'Statistics'. At the bottom, there is an 'Updates' section with a new email address and a service change notice.

F. Sanger, S. Nicklen, A. R. Coulson  
1977, Proceedings of the National Academy of Sciences of the United States of America - Article  
A new method for determining nucleotide sequences in DNA is described. It is similar to the "plus and minus" method [Sanger, F. & Coulson, A. R. (1975) J. Mol. Biol. 94, 441-448] but mak... [more](#)

[Using thematic analysis in psychology](#)  
Virginia Braun, Victoria Clarke  
2006, Qualitative Research in Psychology - Article  
Thematic analysis is a poorly demarcated, rarely acknowledged, yet widely used qualitative analytic method within psychology. In this paper, we argue that it offers an accessible and theoretically fle... [more](#)

[The Moderator-Mediator Variable Distinction in Social Psychological Research: Conceptual, Strategic, and Statistical Considerations](#)  
Reuben M. Baron, David A. Kenny  
1986, Journal of Personality and Social Psychology - Article  
In this article, we attempt to distinguish between the properties of moderator and mediator variables at a number of levels. First, we seek to make theorists and researchers aware of the importance of... [more](#)
